MEMOIRS.

Mrs. Lydia Morey.

Mrs. Lydia Morey, consort of Rev. Amos Morey, and mother of Rev. G. M. Morey, of the Central Illinois Conference, was born in Oneida County, New York, December 19th, 1814. She was converted to God in a class-meeting when she was sixteen years of age, two years after which, in company with her parents, Mr. and Mrs. Wright, she removed to Fulton County, Ohio. In 1833 she was united in marriage with Rev. Amos Morey, with whom she removed to Illinois in 1837. She was a co-worker with her husband at Cuba, Fairview, Lafayette, Abingdon Circuit, Ellison, Port Byron, Rock River and Preemption and her labors on all of those charges was signally blessed to the great good of the Church. On April 17th, 1867, she was taken seriously ill and lingered in great bodily anguish until the 30th of April, she was released by death. She was conscious of approaching dissolution and said she had committed herself wholly to the Lord and he would not cast her off—and while her spirit still lingered she called upon her friends to sing: "O, Come, Angel Band" — and peacefully fell asleep in Jesus. Sister Morey was faithful in all the relations of life. She was a devoted laborer in God's vineyard. She possessed discretion, courage and integrity, zeal for the cause of Christ, and was always a consistent Christian lady. Her memory will long be precious to many within the bounds of the Central Illinois Conference.

Mrs. Lucretia N. Frazzell.

Mrs. Lucretia N. Frazzell was born in the City of Lancaster, Ohio, in 1832. She was the daughter of John N. McElroy. She embraced religion and united with the Methodist Episcopal Church in the thirteenth year of her age and remained a faithful member until death. About ten years ago she came to McDonough County, Illinois, in company with her parents, and engaged in teaching school. On the 1st of May 1866, she was united in marriage with Rev. W. B. Frazzell, of the Central Illinois Conference, and at the ensuing Conference (her husband being appointed to the Cambridge Circuit) proceeded with her companion to their new field of labor, and entered upon the duties of her position with a noble zeal for the Master, that greatly increased the efficiency of her husband's pulpit labors. She wrought faithfully in the Sabbath school, prayer circle, social circle, *and, indeed, everywhere.* On the evening of the 22d of June she was taken suddenly seriously ill. Medical aid was called, but ere the gray dawn of the holy Sabbath appeared, her spirit had taken its flight to the "land of rest" She was sick only a few hours; the most of the time unconscious, but an *unblemished life of faith in God gives assurance* that sister Lucretia Frazzell has gone to dwell with Jesus and the angels. Peace to her memory and rest to her spirit.

J. J. FLEHARTY.

4. ON BIBLE CAUSE.

Your Committee would respectfully report as follows:

Resolved, 1. That the Bible is God's revelation for the salvation of our race, and that it is his only revelation to that end.

Resolved, 2. That being complete in itself, it embraces all that is essential to man's salvation, as the end of such revelation.

Resolved, 3. That the aggressive spirit of infidelity demands that the Christian ministry guard with increasing diligence every doctrine of inspiration.

Resolved, 4. That we tender to the American Bible Society our hearty co-operation for the universal distribution of God's Holy Word.

Resolved, 5. That we will report to the annual Conference the amounts contributed to this cause by our charges respectively.

E. RANSOM,
J. H. SCOTT,
A. BOWER, } *Committee.*

5. ON TEMPERANCE.

Your Committee on Temperance present the following report:

WHEREAS, The use of intoxicating drink has become almost universally popular and is thereby destroying thousands of our most promising men, therefore

Resolved, 1. That as Ministers of the Methodist Episcopal Church, we regard the manufacturer, dealer and drinker of the poison, as equally responsible for all its evils.

Resolved, 2. That the system of licensing the sale of intoxicating liquors is an unwarrented exercise of authority and contrary to the law of God, and that we will not give our support to a candidate for any office in the gift of our country, who does thus countenance this great evil.

Resolved, 3. That the making and use of domestic wines and beer, in families and polite circles, become a yoke that binds to the demon alcohol. Therefore we will by every justifiable means array ourselves against this mode of attack upon the heritage of God.

Resolved, 4. That we look with confidence to the children of our country as a most promising field of temperance labor, and we call upon parents, pastors and Sunday schools to occupy the ground for God and humanity.

A. MOREY, *Chairman.*

D. S. MAIN, *Secretary.*

6. ON TRACT CAUSE.

Your Committee on the Tract Cause beg leave to report, that there has been collected in behalf the Tract Society, during the past Conference year, $200.85, being, we regret to say $23.00 less than the previous year. Fully appreciating the beneficent results attending the quiet, yet effective agency of tract distribution in the past and remembering the blighting influence of the popular yet pernicious literature of the day, upon many thousands, we cannot too strongly recommend continued and increased diligence on the part of all the ministers of this Conference in our collection for the aid of our tract society and in spreading its blessed pages throughout the the range of our respective charges. Respectfully submitted,

M. F. HAVERMALE,
S. C. MILLINGTON,
M. SPURLOCK,
A. BEELER,
N. O. WESTERGREEN,
Committee.

T. J. W. SULLIVAN, *Secretary.*

7. ON THE OBSERVANCE OF THE SABBATH.

Your Committee on the Observance of the Sabbath would beg leave to report: The claim for the observance of the Sabbath, as a day of rest, is based alike upon the teachings of nature and revelation. In nature by the constitution of our entire organization, physical, intelectual and moral. That nation which finds no time for the observance of the Sabbath as a day of rest, fails to make that improvement in the arts and sciences that those nations do, which respect this requirement.

Waiving, at present, the question of morals touching this subject, he would seek the highest physical and intellectual status of a community or nation must heed the voice of history, as it comes up from the past—Remember the Sabbath day to keep it Holy.

But it is more than a question of policy—it is a question of morals. Revelation is not silent. God has not only written it upon our organization, but in more emphatic terms of *direct revelation.* To deny this is to deny the inspiration of the Holy Scriptures. It is to drop again the vail that hung for centuries over the world. It is to stay the progress of civilization, for without the observance of the Sabbath no nation has ever been civilized. Without civilization free institutions cannot long exist; hence to a civilized and enlightened people it is a question of *national existence. National existence* depends upon it.

Why do we lead the van in all that makes a nation a creature of power? Answered in the fact that in all our laws the Sabbath, as a day of rest, is sacredly regarded.

If we love *ourselves*, our *country* or our God, we must defend the Sabbath as a day of rest. It is with deep solicitude and profound regret that we learn of various efforts making in our country to overthrow that which has done so much towards giving and protecting our liberties.

Inasmuch as it has been made a part of a political platform adopted by a politica. organization, the success of which will not only endanger our political freedom, but will introduce into our country demoralizing influence of such a character as to be regarded as a direct attack upon the church of God, therefore

Resolved, 1. That we look with regret and alarm on the increasing efforts of those who have fled to our shores from the oppression of Catholic States of Europe, to introduce legal enactments, in contempt of God's law of the Sabbath, with the design to establish in this country the degraded standard of morals of those States.

Resolved, 2. That the united power of Protestant Christians should at once be brought to bear against this tide of evil, and that we earnestly recommend our people to withdraw their support from all political parties which ignore the Sabbath of God or connive at its abrogation.

Resolved, 3. That it is our duty, as embassadors of Christ, by positive and uncompromising action to attack this growing evil.

M. L. HANEY, *Chairman.*

N. C. LEWIS, *Secretary.*

8. ON SUNDAY SCHOOLS.

The Sunday School Committee beg leave to report as follows: The statistics show that there has been a decrease in the number of schools of 20; officers and teachers, 200; Bible classes, 20; expenses of schools, $2,130.43; and an increase of scholars of 2,448. Volumes in Library, 473. Amount raised for Sunday School Union, $64.32. Conversions, 575.

Sixteen charges have failed to furnish statistics. We are satisfied that if reports had been received from these delinquent charges, the statistics would have shown a respectable increase in all the departments of this important work.

The Committee offer the following resolutions for adoption:

Resolved, That the attention of all our Elders and Preachers be refered to pages 38, 39, and 40, also pages 225, 226, and 227, Section 2, Part 3, also page 233, Paragraph 12, in Section 3. We call attention emphatically to page 55, Part 2, Answer 8, of our Discipline.

Resolved, That we earnestly request each member and probationer in the Conference to attend the Sunday School Conference, to be held at Abingdon, next May.

P. WARNER, *Chairman.*

A. C. PRICE, *Secretary.*

Monmouth, September 9th, 1867.

9. ON MARGARET BEWLEY.

The committee appointed to make inquiries in regard to the blind daughter of the martyred Bewley, find that she is not a claimant upon the funds of this or any other Conference. But at the reunion of the four Conferences of Illinois, held at Bloomington in 1866, those Conferences adopted Miss Bewley as their daughter, consequently we are pledged with the other Conferences of the State for her support and education. Besides, Brother Bewley having fallen a victim to the fiendish spirit of slavery, which was then plotting the destruction of our government, the case of his blind daughter makes the strongest possible appeal to every pious and patriotic heart. We recommend therefore, that a collection be taken at this Conference for

the benefit of Miss Bewley, and that each pastor be directed to solicit contributions from the church for the same object, and to forward the money so collected to Rev. W. C. Cumming, Conference Guardian.

H. RITCHIE,
R. HANEY,
C. SPRINGER.

10. ON TOBACCO.

The use of Tobacco is a great evil, in that it wasts money, injures health and destroys life. The evil may be further seen in the filthiness of the habit—violating all rules of decency as well as the plain Scriptural injunction to cleanliness, and in the demoralizing tendency leading to other habits such as opium eating and dram-drinking, and giving excuse for many evils which persons say are no worse than using tobacco.

So the church regarded the practice when she said in her discipline in regard to snuff and drams, "*Let no Preacher on any account touch either*," and so should the Church regard it to-day.

In view of the increase of this evil, and especially in view of the fact that many ministers are encouraging the evil by their practice, therefore, be it

Resolved, 1. That there should be in our church, as in other days, a disciplinary provision against the use of Tobacco.

Resolved, 2. That we hereby renew our former resolution, not to receive any candidate for the ministry into full connection, nor on probation, who uses Tobacco, without a solemn pledge to abstain therefrom.

Resolved, 3. That we will agitate the subject among the people, treating the practice as a *moral evil*, until it is put away.

Resolved, 4. That we respectfully request our dear Fathers and Brethren of this Conference, who now use it, to discontinue its use.

Resolved, 5. That we respectfully request the Bishops who may preside at this Conference from time to time, not to appoint any man to the office of Presiding Elder who is addicted to the use of Tobacco, without first a promise of reformation.

B. E. KAUFMAN, } *Committee.*

11. ON CHURCH EXTENSION.

Your Committee beg leave to report the following resolutions:

Resolved, 1. That the amount which the Parent Society shall demand of the Central Illinois Conference be apportioned among the several appointments.

Resolved, 2. That the result of collections shall be reported in open Conference.

Resolved, 3. That we recommend the Conference to resign its privilege to expend a portion of its own collections within our bounds.

Resolved, 4. That the Constitution be so amended as to make five (5) a quorum of the Church Extension Society of the Central Illinois Conference, and the same number shall form a quorum of the Board of Managers, the President or Corresponding Secretary of which may at any time call a meeting.

Resolved, 5. That the Board of Managers of the Church Extension Society of the Central Illinois Conference be requested to publish an earnest appeal to the Church in behalf of this cause, within our bounds.

BOARD OF MANAGERS:

Rev. J. CHANDLER,	Rev. E. D. HALL,	Rev. E. P. HALL,
Rev. S. G. HAVERMALE,	Rev. A. C. PRICE,	L. GUYER,
W. A. ROSS,	A. H. STOWELL,	W. F. DODDS.

All of which is respectfully submitted.

J. B. CRAIG, *Chairman.*

C. C. KNOWLTON, *Secretary.*

12. ON THE CASE OF G. M. IRWIN.

The Committee, to whom the case of Brother G. M. Irwin was referred, beg to report; We fully recognize the authority of the appointing of the M. E. Church, and believe that every member of this Conference should be held strictly responsible for the care of the charge to which he is appointed, and that he should not be excused for leaving his work for any trivial cause.

The Committee further report that after hearing the statements of Brother Irwin and his Presiding Elder, they are convinced that in leaving his work, Bro. Irwin did not intend to be disobedient to the authority of the Church.

13. ON THE CASE OF C. C. KNOWLTON.

In the case of Brother C. C. Knowlton, the Committee, after hearing the statements of Brother Knowlton and Brother Haney, think that Brother Knowlton acted hastily, and unadvisedly, and that he manifested a want of self-control greatly to be regretted, but, in view of all the facts, believe that Brother Knowlton acted conscienciously, and did not intend to do any wrong, and we therefore recommend that his character pass.

14. ON THE CASE OF J. C. RYBOLT.

REPORT OF JUDICIARY COMMITTEE.

Your Committee decide that Rev. J. C. Rybolt is guilty of unchristian and unministerial words and actions, as charged against him, and that his imprudence is of a degree to incur reproof by the Bishop. Yet, inasmuch as he has acknowledged his fault, and expressed sorrow for it, in relation to some of the specifications, and as he has been detained from the session of the Conference by personal afflictions, we recommend that his character pass.

A. MAGEE, *Chairman.*

Monmouth, Sept. 9, 1867.

15. ON THE CASE OF JOHN COSLER.

[No duplicate was furnished. We applied to the Conference Secretary for the Report to copy, but it could not be found. The charge, however, was not sustained, and his character passed.—MINUTE SEC.

16. ON EDUCATION.

ILLINOIS WESLEYAN UNIVERSITY.

Your Committee have carefully considered the Reports from this Institution, and rejoice in the tokens of real prosperity that are therein presented.

The attendance, especially in the higher classes, is steadily increasing, the facilities for instruction, in museums, apparatus and libraries, are constantly improving, while the recent centenary movements have added over $50.000 to the permanent funds of the University, which amount will be considerably increased when the centenary reports are perfected. And we recognize with pleasure the fact that the rapid growth of the University renders the erection of new University buildings imperative, therefore,

Resolved, 1. That we will earnestly cooperate with the Trustees, Faculty and Agents of the University in their efforts to build up and endow the Institution.

Resolved, 2. That O. T. Reeves, Esq., Rev's L. B. Kent and J. G. Evans, and Hon. Wm. M. Smith, be re-elected Trustees.

Resolved, 3. That Rev's F. M. Chaffee, A. C. Price, A. C. Higgins, P. A. Crist, E. D. Hall and W. P. Graves be appointed a Visiting Committee.

Resolved, 4. That the Presiding Bishop be requested to appoint O. S. Munsell President and J. F. Jacques, Professor.

HEDDING SEMINARY AND CENTRAL ILLINOIS FEMALE COLLEGE.

It is with gratitude to God that your Committee has learned, not only of the continued prosperity of this Institution, but also that the past year has been one of the most prosperous of her history.

The health of the Faculty and Students has been good, but the best of all is, God has been in their midst in converting power, and many of the students have been born again.

The number of students in attendance is almost an average with last year. An Endowment Fund, of from $15,000 to $20.000 will be realized from the centenary contributions.

The Board of Trustees unanimously request that Rev. M. C. Springer be appointed Professor of Languages and acting Principal of the Institution, and that Rev. T. D. Wilson, of the Rock River Conference, be transferred to the Central Illinois Conference, and be appointed Professor of Higher Mathematics; also, that F. Smith, M. C. Springer and B. Applebee be appointed Trustees to fill the vacancy occasioned by the expiration of the time of John Morey, J. G. Evans and B. Applebee, and that the following named persons be appointed Visitors for the ensuing year: W. Watson, G. W. Brown, E. P. Hall, W. H. Hunter and C. Springer.

Resolved, That we deem it inexpedient to concur in the proposition to change the name of this Institution.

GRAND PRAIRIE SEMINARY.

Among the points named in the Report of this Institution which excites our gratitude to Almighty God, are, the perfect harmony that has prevailed among the Faculty and Students during the entire year; the gracious revival of religion, in which many promising young persons attending the school were sharers; the successful effort to sanctify commercial knowledge, the very great improvement made

in its Normal Department, which has in view the preparing of Christian young men and women to teach our district schools; the better provision made to hereafter give instruction in vocal and instrumental music; the constantly increasing favor shown by the public, as indicated by the enrollment of more pupils than during any former year; the securing of an endowment fund which goes far toward placing the Institution upon an enduring basis, and the expressed determination of the Trustees to make this school in no respect inferior to any of its grade.

The number of Students in attendance during the year is as follows:—Males, 131, Females, 117; Total, 248. The following items are embraced in the financial part of the Trustees' Report:

RESOURCES.

Grounds and Buildings	$15,000 00
Furniture and Apparatus	765 00
Blank Books and Stationery	700 00
Forty acres of Land	200 00
Notes and Accounts due	1,319 77
Endowment Notes	21,082 00
Total	$39,176 77
Deduct Indebtedness with Interest to date	3,300 00
Balance in our favor	$35,876 77

Resolved, 1. That the money raised and invested in this Educational enterprise has reached a sum too great to be regarded with indifference, or neglected by the Church.

Resolved, 2. That the felt need, the successful management and increasing popularity of this Institution call for increased confidence and a more vigorous and hearty support on the part of the Church.

Resolved, 3. That we respectfully recommend the presiding Bishop to appoint Rev. O. W. Pollard, A. M., as Principal, and Rev. P. T. Rhodes as Agent of this Institution for the ensuing year.

Resolved, 4. That we recommend the appointment as a Visiting Committee for the ensuing year, Rev's C. C. Knowlton, L. B. Kent, S. G. Havermale, E. D. Hall and M. L. Haney.

REV. G. W. GRAY.

We recommend the appointment of Rev. G. W. Gray, A. M., to the Presidency of Quincy College.

GARRET BIBLICAL INSTITUTE.

It is with great pleasure that we receive the cheering intelligence of the increasing prosperity of this Institution. We rejoice in the success that has attended the enterprise of erecting that beautiful building, that bears the honored name, "*Heck*" Hall; and we trust that from this Institution shall go out, for generations to come, a class of men possessing not only an intellectual training, but also full of the Holy Ghost, and fully consecrated to the work of the Gospel Ministry; therefore—

Resolved, 1. That we continue to recognize the Garret Biblical Institute as one of our cherished Conference Institutions.

Resolved, 2. That Rev's H. Ritchie and J. G. Evans be appointed a Visiting Committee to the Institution the ensuing year.

MINISTERIAL EDUCATION.

Resolved, 1. That in view of the wants of the Church, and of the world, we feel called upon more frequently to pray the Lord of the harvest tha the would send forth laborers

into his harvest, and also, on our own part, more diligently to seek out and encourage young men whom the Spirit moves to devote their lives to the work of the Ministry.

Resolved, 2. That believing it an important duty of the Church to make special effort to enable young men desiring to enter our ministry and foreign missionary work, to enjoy the advantage of our educational institutions with as little loss of time as possible, we heartily approve of the object of the Ministerial Education Society, and commend it to the favorable attention of our people.

Resolved, 3. That we hereby appoint a committee, consisting of J. R. Jacques, W. H. Hunter, J. W. Haney, P. T. Rhodes, L. B. Kent and J. P. Brooks, the Chairman of which shall be, *ex officio*, a Manager of the Ministerial Education Society of the Methodist Episcopal Church, whose duty it shall be to take special charge of Ministerial Education within our bounds; to provide for public meetings in behalf of the cause; to receive applications for aid, either from candidates themselves, or from Ministers or Teachers to whom they are known; and to respond to the same by means of funds raised in our territory, or appropriated by the Parent Society; all appropriations being made in accordance with the designs and regulations of that Society.

Resolved, 4. That so far as practicable, collections be made, subscriptions taken in our various charges, in behalf of this object, and that the preachers report the amounts so raised at the ensuing Conference; that it shall be the duty of Bro. J. R. Jacques, in connection with a committee appointed to act with him, to aggregate these reports and present to the Conference a full statement of what has been done, and of what ought to be done, in this department of religious effort.

Resolved, 5. That all appropriations of funds, made by our Managers during the year, be reported to the Conference for its approval, and that the surplus funds unappropriated be subject to the action of the Conference, as to whether it shall be appropriated to the aid of candidates originating within our bounds, or paid to the Central Society, to be held subject to our call, or to be used for general purposes.

O. W. POLLARD, *Sec.* O. S. MUNSELL, *Chairman.*

17. ON THE GRAVE OF REV. S. B. BAKER.

WHEREAS, The late Rev. S. B. Baker, formerly a member of this Conference, who died at Chenoa, on his way to his field of labor at Fairbury, lies buried at the latter place in an unmarked and almost unknown grave, and

WHEREAS, The Cemetery at Fairbury, where his remains are buried, is not permanently located, and there being a strong probability that one may be secured during the next Conference year, therefore,

Resolved, That we proceed at once to raise a fund sufficient to mark the present grave and, if found necessary, to procure a lot and remove the remains to it.

Resolved, That the Pastor of the M. E. Church at Fairbury, and W. M. Dever, of the same place, be a committee to receive the funds and carry out these designs, and report to the next session of this Conference.

J. S. CUMMING,
S. G. HAVERMALE.

QUINCY COLLEGE, - QUINCY, ILL.

FOR LADIES AND GENTLEMEN.

THE FACULTY

Is composed of TEN teachers. It has been the constant aim of the Board of Trustees to secure the very *best instructors*. Each Department is under the special supervision of its Professor.

THE COURSE OF STUDY

Includes all of those branches usually taught in our best established institutions of learning. Also, classes are formed each term in French, German and Hebrew.

SPECIAL ATTENTION will be given to those desiring to prepare themselves for Teaching.

EXPENSES

Are as reasonable as in any institution of similar grade. YOUNG LADIES BOARD IN THE COLLEGE FAMILY, and are under the immediate watch-care of the Preceptress.

The College Edifice is an elegant structure of brick, with limestone foundation, of the semi-gothic order. The edifice and its grounds are valued at about $130,000. It is situated on the bluff of the Mississippi river, and only three blocks distant from its bank, and of easy distance from the Railroad Depot. The river and city scenery from its windows is delightful. All its surroundings are cheerful and well fitted to inspire the youth with zeal for their work. The building, with its spacious halls, and appropriately arranged fixtures, is as well adapted to educational purposes as any in the west.

Send for a circular. Address,

REV. GEORGE W. GRAY, A. M., PRESIDENT.
